REASONS FOR ALLOWANCE

1. The following is an examiner's statement of reasons for allowance: The invention as claimed is not allowed or rendered obvious in view of the prior art of record. The prior art of record fails to teach or suggest, alone or in combination, the claimed system for managing call including means for sending second information relating to each calls to a set of call processing modules if the call has been accepted, based upon data received from a set of access control modules as recited in claim 1. The prior art of record also fails to teach or suggest, alone or in combination, the claimed master module and the method comprising sending a message to a master module containing an identifier of a new access control module and/or a new call processing module, the master module responding to the message by including the new access control and/or call processing module in a set.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Harry S. Hong whose telephone number is (571) 272-7485. The examiner is normally off on Wednesdays.
